

PENHALIGON'S

EST. LONDON 1870

A SPLENDIDLY BRITISH OLFACTIVE ADVENTURE

Penhaligon's is perhaps the world's most esteemed
fragrance house, entertaining discerning noses
– be they royalty or not.

Drawing on 150 years of perfumery, each scent creation has its own story to tell... of tradition,
history, myth... always with a little whimsy or twist of quirkiness that brings it into the modern day.

A perfect fit for ladies and gents with exceptional taste; displaying good judgment and
perfect decorum, but not afraid to veer off the tracks to show a little personality.

Quercus

A cologne fragrance of some sophistication, named for the iconic English oak. Basil, bright & fresh, accompanied by clean white floral notes create the most singular airy freshness; whereas a woody, mossy depth brings one happily back to earth. It's familiar, but also terribly strange.
